10 CENTS PER WEEK

VANISHED CITY

Nothing Left of the Carnival Except Pleasant Memories.

GONE LIKE A DREAM.

The Midway Attractions Were Taken to Owensboro Yesterday Morning and the Others Taken Away This Morning.

IT WAS A FINANCIAL SUCCESS.

The carnival grounds are very different today from what they were this time last week. The booths were all stripped this morning and by noon there was nothing left in them. The board fences were rapidly torn away and the lumber sold and hauled away, and the streets again opened to the public. The chain gang will give them a thorough cleaning and there will be little evidence left of the week of merriment just passed.

The executive committee of the Elks has been in duty ever since the carnival closed and took good care that all the booths were well protected. Yesterday morning at 6 o'clock all the midway attractions left in fourteen special cars for Owensboro. Mr. Gaskeil said here that left that Paducah was the best city he was ever in, and her crowds the best natural. He hopes to return next year.

It is impossible to determine just how successful financially the carnival was, but the executive committee of the Elks say that the lodge will make above all expenses between \$5,000 and \$6,000, which is better than they expected. By Thursday it is thought that everything will be in, and the exact amount ascertained.

The number that drew the un-

raffled off by the Ladies' Auxiliary was 939, but no one has yet produced it, and if at the end of three days it is not brought up, another number will be drawn.

Many people doubtless lost or

threw away their numbers, and it may be that no one has the lucky number.

The ladies did a good busi-

ness at their booth.

Most of the visitors have returned home, and the estimate of the total number who were here varies, but is away up into the thousands, and tens of thousands. The total number of paid admissions was in round numbers 25,000 at the main entrance, and 80,000 at the midway. Many had passes at the main entrance who had to pay at the gates of the midway, hence the disparity in the number of paid admissions.

Mr. Young Taylor won the elegant bribe given away by Michael Brothers to the one guessing nearest the number of beans in a bottle. He guessed 1920 and there were 1918. He will raffle it off for the benefit of the Home of the Friendless.

An amusing conversation was overheard on Broadway Saturday. Two darkies who had been looking about at the decorations stopped in front of a window.

"What do dem lettahs stan' fo'?" asked one.

"Dem lettahs B. P. O. E.?" asked the other.

"Yais, dem lettahs, what ebah dey am."

"Why niggah," was the reply "dey stans' fo' be po." Dey means when yo' gits froo wid everything yo' ll be po' es Job's turkey, dat's what dey means."

JOHN L. JONES

WELL KNOWN PADUCAH FURNITURE DEALER KILLS A MAN.

In the telegraphic dispatches will be found the account of the killing of Tom Keane at Evansville this morning by John L. Jones. Mr. Jones is the well known furniture dealer at Third and Court streets, whose main house is in Evansville and is well known in Paducah. He spends a great deal of his time here and while his employees had heard nothing of the trouble, they are certain that he is the same man mentioned in the dispatches, as he had a bookkeeper by the name of Keane, whose husband was killed.

ENCOURAGING MEETING.

Y. M. C. A. WORK BECOMING VERY POPULAR IN PRINCETON, KY.

MAYOR LANG

He Is Today Participating in the Exposition Open-

WAS SPECIALLY INVITED

His Trip to New England Has Been Marked By Many Pleasant Experiences—Also a Few Unpleasant Ones.

IS EXPECTED HOME ABOUT WEDNESDAY

Mayor James M. Lang is in Buffalo, N. Y., today participating by special invitation of the Pan-American exposition committee in the formal opening of the exposition. He was invited when he went through, to return and take part, and accepted the invitation.

A letter received from him this morning by Mayor Pro Tem G. R. Davis, indicates that he will not return home until Wednesday or later. He has no doubt been having a good time.

He left Paducah last Monday night and at Louisville inspected the aerial ladder and truck there and was much pleased with them. They can easily be handled by two men, but of course with three or four much more can be done with them.

The mayor was unfortunate in missing every train he attempted to make connection with, and in many instances had a very unpleasant journey. He went from New York to Providence by steamer, going 184 miles for fifty cents. This reduction was on account of a rate war on between the steamers, and riding is so cheap that the mayor has been seriously considering the advisability of remaining and availing himself of the rates as long as they last.

He has visited Albany, where he witnessed the riot between troops and strikers, and took a trip up the Hudson river. At Albany he could not get a train quick enough to take him far out of reach of threatened danger.

At Providence he was shown every courtesy by the fire apparatus managers, and was greatly pleased with the aerial ladder and truck he went to look at. The truck for the South Side station is a little beauty, and will soon be finished.

The journey up the Hudson river was one of the most pleasant features of the trip. Everywhere the mayor has been shown gratifying attention, and has nothing to complain of except the misfortune of getting left at nearly every place he had to change cars.

Today he returned to Buffalo on his way home, and is doing the big exposition. He will then proceed home, and possibly get back Wednesday.

Tonight's council meeting will be presided over by Mayor Pro Tem Davis, and the meeting will doubtless be a short one, as there is not much business to come up.

PAINFUL INJURIES.

POSTMAN JOHN BAYNHAM FELL FROM A TRAIN BETWEEN HICKORY AND MAYFIELD.

Mr. John Baynham, the well known mail carrier, fell from train No. 121 yesterday afternoon, about 5 o'clock, between Hickory and Mayfield, and was painfully injured. He was found by the track in an unconscious condition at 4:20 and was taken to Mayfield, his original destination. His clothes were torn from his head to his knees and his side and face badly skinned up, and bruised considerably. Mr. Baynham has been a sufferer from rheumatism for the past two weeks and had just recovered sufficiently to be out. He started for Mayfield, his former home, yesterday, and intended to stay out for a short visit.

Mr. Baynham arrived in the city early this morning and is not injured except on the left ear, which is badly cut, and a few scratches and bruises on his body. He said that arrangements had been made to stop and let him off the train at a certain point and as they did not stop he attempted to jump off. He narrowly escaped serious injuries.

A letter received from him this morning by Mayor Pro Tem G. R. Davis, indicates that he will not return home until Wednesday or later. He has no doubt been having a good time.

He left Paducah last Monday night and at Louisville inspected the aerial ladder and truck there and was much pleased with them. They can easily be handled by two men, but of course with three or four much more can be done with them.

The case against Ed Bartley, colored, charged with stealing a pocket-book from J. H. Hall, was discharged. Hall was present and said he saw a negro whom he believed was the one who got his pocket-book, board a train yesterday. There being no evidence against Bartley he was dismissed.

BOTH HAD PISTOLS.

James Rickey, colored, of Illinois, had a pistol concealed on his person when arrested by Special Officer Whitehurst Saturday. He pleaded guilty in the police court this morning.

"What were you doing with the pistol?" inquired the court.

"I jes' lef' home a little early, judge," he replied, "an' toted hit wife wi' me!"

"Yes, but you'll get home a little late," commented the court as he entered judgment for \$25 and ten days in jail.

Tom Walden, of Carterville, Ill., a white man, also had a pistol. He came in on the excursion, and expecting to find everybody in Kentucky armed with a pistol he brought one too. He was given the lowest penalty, \$25 and ten days.

Charles Evans, a colored hackman employed by J. W. Willett, was presented in the police court this morning on a charge of fast driving. He ran against Mr. Billy Lee, the bartender, at Fourth and Broadway, Saturday night and Mr. Lee is not yet able to get out. Officers Nance and Rogers testified that he was driving as fast as the horses could go. The case was left open. Evans expects to prove by Mr. Lee himself that no one was to blame for the accident.

VICTIM UNABLE TO ATTEND.

The case against Crate Bass, charged with striking a boy named John Omelett in the head with a brick, was continued until next Monday. Omelett is badly hurt, and unable to get out. Attorney Johnson Houser, of Florence Station, is employed to defend him.

COLDS

The quickest relief, for a cold, is by Scott's emulsion of cod-liver oil.

We all have colds, you can try it and see. You will find the edge taken off in a night; and, in three or four days, you'll be wondering whether that cold amounted to anything anyhow.

That's relief. If you tackle it quick, the relief is quick and complete, if you wait till the cold is in full possession of head and lung, why, of course, the relief is quick if it comes in a week.

A little emulsion won't clear and restore your whole breathing-machine in a minute; don't be looking for miracles.

ACCIDENTAL DEATH.

THIS IS THE VERDICT IN THE

BUHRLE JENKINS' CASE.

Coroner Geo. Phelps this morning held the inquest inquiring into the death of Flagman Buhle Jenkins, who was killed at Isley Saturday morning. The witnesses could not be found yesterday morning, hence the inquest had to be postponed until today.

The verdict of the jury was that he came to his death by accident.

Coroner Phelps says that the proper place for the inquest to have been held was where the death occurred. It seems that the body was picked up and brought here by the railroad company without notifying the coroner of Hopkins county, who should have held the inquest.

A LIVE MEETING OF THE CITY MINISTERS' ASSOCIATION.

An interesting session of the Ministers' Association was held this morning from 10 to 12 o'clock in the Y. M. C. A. parlors. A large number of the ministers of the city was present and discussion of the moral conditions existing in the city as revealed by the events of the past week. A number of alarming facts were brought to light but no definite steps will be taken until next Monday morning, at 10 o'clock when the subject will be brought up again and some steps will, doubtless, be taken to abate the existing evils.
